MEMORANDUM FOR: Deputy Director for Administration

STATINTL FROM:

Deputy Legislative Counsel

SUBJECT: Hill Notification of new Appointment

1. In response to your request, attached is a list of Members who should be apprised of the pending appointment of the new NIO: Chairmen and Ranking Minority Members of all of our oversight committees, including Senate Foreign Relations, and House International Relations Committees.

2. In the past, we have taken care of this problem by notifying the principal staff officer of such committees, leaving it to him to assure that committee membership is appropriately informed. We would be pleased to do this in the instant case if this would be helpful to Admiral Turner and, in any case, with his approval we would like to notify these individuals so that they are not blind sided.

3. It has not been past practice to notify the leadership of each House on such matters. I don't see how it could hurt and it might help, unless our committee chairmen feel we are dealing over their head. Again, I think that we should give equal attention to both sides of the aisle.
